ACADEMIC DETAILS

Year	Degree/Exam	Institute	GPA/Marks (%)
Aug 2022 – 2026	B.Tech (CSE)	Graphic Era Hill University, Dehradun	8.53 / 10.00 (Ongoing)
2022	12th, C.B.S.E	Alakshya Public School	85.00 %
2020	10th, C.B.S.E	Alakshya Public School	85.00 %

PROJECTS

Disease Prediction | Machine Learning, Python | January 2025

- Developed a disease prediction model using machine learning algorithms such as Support Vector Classifier, Random Forest, and Naive Bayes to predict diseases based on user provided symptoms.
- Trained and tested the model on a dataset of 4920 rows and 133 columns, achieving 96% accuracy.

Bank Management System | Java, SQL | October 2024

- Developed a comprehensive system to manage customer records, employee details, and bank resources.
- Included an admin login page for user authentication.

Single Pass Compiler | Python, HTML, CSS, React | April 2025

- Developed a single pass compiler using lexical and parsing analysis.
- Used a transpiler to convert .gran code to .exe file.

TECHNICAL SKILLS

- **Languages:** C, C++, Python, Java, SQL, MySQL, MongoDB.
- **Frontends:** HTML, CSS, JavaScript.
- **Frameworks:** React, Flask.
- **Database Management System:** Oracle, Xampp.
- **Tools & Platforms:** Git, GitHub, VS Code.
- **Relevant Courses:** Data Structures and Algorithms, Object Oriented Programming, Operating System.

INTERNSHIP

SmartBridge Salesforce Internship | Virtual | May 2025

- Completed a hands on Salesforce training program focused on CRM tools and cloud based solutions.
- Gained practical exposure to Salesforce development, customization, and deployment through live projects and assignments.

CERTIFICATIONS

- **Enhancing Soft Skills and Personality** – NPTEL SWAYAM, IIT Madras (Feb – April 2024)
Certificate Link: https://nptel.ac.in/noc/E_Certificate/NPTEL24HS26S35420006930405438
- **Google Cloud Computing Foundations** – NPTEL SWAYAM, IIT Madras (Aug – October 2023)
Certificate Link: https://nptel.ac.in/noc/E_Certificate/NPTEL23CS90S83420082720099066

- **Generative AI For All** – Infosys Springboard 2025.

STRENGTHS

- Leadership and Team Management.
- Ability to Work Under Pressure.
- Effective Team Collaboration.
