Academic Details

Year	Degree/Exam	Institute	CGPA/Marks
Aug 2022 – 2026	B.Tech (CSE)	Graphic Era Hill University, Dehradun	8.53 / 10.00 (Ongoing)
2022	Class XII (CBSE)	Alakshya Public School	85.00%
2020	Class X (CBSE)	Alakshya Public School	85.00%

Projects

• Disease Prediction (Machine Learning, Python)

Developed a disease prediction model using algorithms such as SVM, Random Forest, and Naive Bayes. Trained and tested the model on a dataset of 4920 rows and 133 columns, achieving 96% accuracy.

• Bank Management System (Java, SQL)

Developed a comprehensive system to manage customer records, employee details, and bank resources.

Implemented an admin login page for user authentication.

• Single Pass Compiler (Python, HTML, CSS, React)

Developed a single pass compiler using lexical and parsing analysis.

Implemented a transpiler to convert .gran code to .exe file.

Experience

Smart Bridge Salesforce Internship | Virtual | May - August 2025

- Completed hands-on Salesforce training focused on CRM tools and cloud-based solutions.
- Gained practical exposure to Salesforce development, customization, and deployment.

Technical Skills

- Programming Languages:** C, C++, JavaScript, Python, Java
- Web Technologies:** HTML5, CSS3, React, Flask (basic)
- Frameworks:** React, Flask
- Database:** MySQL
- Tools & Platforms:** Git, GitHub, VS Code

Certifications

- Enhancing Soft Skills and Personality** – NPTEL SWAYAM, IIT Madras (Feb – Apr 2024)

- **Google Cloud Computing Foundations** – NPTEL SWAYAM, IIT Madras (Aug – Oct 2023)
- **Generative AI For All** – Infosys Springboard 2025

Strengths

- Leadership and Team Management
- Ability to Work Under Pressure
- Effective Team Collaboration
- Good debugging and troubleshooting capabilities
